

A HOME AWAY FROM HOME FOR INTERNATIONAL STUDENTS

Ensuring international students have access to quality accommodation is an integral part of delivering a positive student experience. Partnering with New Zealand Homestay (NZH) enables you to provide the comfort and support of home; diversify your accommodation offering; and fulfill the need for a safe, welcoming housing option when other lodgings are at capacity. Students are immersed in the local culture and become part of the community during their homestay experience, laying the foundation for personal and academic success.
